

Best Practices in Occupational Health

2nd Annual Conference

Presented By

February 10, 2007

*Anthem Blue Cross and Blue Shield
Mason, OH*

**A Unique One-Day
Continuing Education Conference
For Case Managers and
Occupational Health Professionals**

This conference is designed to provide case managers and other occupational health care professionals with the latest updates on clinical issues and trends in occupational health.

The conference will provide insights into delivering best practice guidelines and care that helps improve the health and safety of our clients.

Come enjoy a relaxing and motivating day and network with your occupational health colleagues!
