Mason, OH*

Presented By

FEATURED KEYNOTE SPEAKERS

Peter C. Moran, RN, C, BSN, MS, CCM currently is the National President of the Case Management Society of America. He is a member of the National Transitions of Care Multidisciplinary Task Force developing tools that can be utilized in transitioning care across the continuum of care and a member of the CMSA Standards of Practice Review Committee. Mr. Moran is also a member of the Case Management Adherence Guidelines Business Unit. He has coauthored the CMAG Adherence Guidelines for DVT and is coauthor of a column in Professional Case Management Journal "Heartbeats." Peter has served at the local chapter level in a variety of positions including President, Conference Chair, ME Extension Co-chair and Founding Member. He has been a national speaker on ED Case Management, Industry Trends and Issues and has served on the CMSA Industry Council. Mr. Moran has been a practicing case manager for 13 years and has worked in the managed care, hospital and consulting arenas.

Connie T. Commander, RN, BS, CCM, ABDA, CPUR is the President of Commander's Premier Consulting Corporation. With her previous experience in the development, implementation and management of numerous Medical Management departments, she is able to share her knowledge as it relates to the responsibilities for Medicare, Medicaid and Commercial Managed Care lives. Previous positions have included Vice President of Quality Management, Executive Director, Director at several health plans in TX, and Administrator of an Independent Physician's Association in the Chicago area. Connie is the current Past President of CMSA. She was named as "Case Manager of the Year" for the Houston Gulf Coast CMSA Chapter in 2002 and was also awarded the national award of "Case Manager of the Year" CMSA for 2003. Connie has presented several presentations on managed care for more than 20 years of her involvement.

Susan A. Rogers, RN-BC, BSN, CCM is a board certified nurse case manager specializing in teaching and consulting on nationally trended, cutting-edge healthcare issues. She currently is on the national team for WorkStrategies, a division of Select PT, where she uses her case management experience to create collaborative practice models within the workers' compensation market. With her case management experience of 20 years, Susan developed a thorough appreciation of every aspect of the healthcare environment from payer to provider to consumer. She also owns a case management education/consulting company, Rogers Professional Guidance. She was National President for the Case Management Society of America.

7:30 am - 8:00 am	Registration
8:00-8:20 am	Continental Breakfast & Networking
8:20-8:30 am	President's Welcome
8:30-10:00 am General Session	<p>ER Case Management: Incorporating Standards Into Practice; Outcomes: Case Studies <i>Peter C. Moran, RN, C, BSN, MS, CCM</i> Mr. Moran will present the roles and functions of an emergency department case manager and the different outcomes that will occur. Highlights will include: better communications between agencies, payers and the health care team; observation vs. inpatient status; improved access; barriers to adherence; and transition of care improvements.</p>
10:00-10:15 am	Break
10:15-11:15 am	<p>Successful Rehabilitation of Persons with Limb Loss <i>Kevin Carroll, MS, CP, FAAOP; Sponsored by Hanger</i> It is important for the vocational rehabilitation counselor to fully understand the capabilities of the entire rehabilitation team along with the prosthetic systems available to provide the most successful outcomes for patients. This presentation will include several case studies and successful outcomes.</p>
11:15 am-12:15 pm General Session	<p>MRSA Anti-Infective Insights <i>Connie Commander, RN, BS, CCM, ABDA, CPUR; Sponsored by Pfizer</i> Highlights of Ms. Commander's presentation will include: the quality and cost effective impact appropriate treatment initiatives with MRSA have upon the individual patient and the delivery system; how the National Medicare Quality initiatives impact the individual case manager; and how the Core Measure and Pay for Performance initiatives are based upon "doing right things for the right patient at the right time."</p>
12:15-12:45 pm	Lunch
12:45-1:15 pm	Silent Auction
1:15-2:15 pm	<p>Overview of Bariatric Surgery and Associated Nutritional Risks <i>Lisa Linn Siefert, RPh, ASQ-CMQ-OE; Sponsored by Optioncare</i> This session will provide an overview of the incidence of obesity in the U.S. and the treatment of severe obesity with bariatric surgery. Types and benefits of bariatric surgery and patient management will be discussed along with post-operative nutrition concerns.</p>
2:15-2:30 pm	Break
2:30-4:00 pm General Session	<p>The Employer's Perspective: A Care Management Opportunity <i>Susan Rogers, RN-BC, BSN, CCM; Sponsored by Sanofi-Aventis</i> This session will explore the current perspective of the employer regarding healthcare and identify wellness strategies for employees. Ms. Rogers will discuss productivity, absenteeism and presenteeism. Opportunities for care managers within the employer marketplace will also be examined.</p>
4:00-4:15 pm	Closing Salutations & Door Prizes

About CMSA

CMSA is an international, non-profit professional association founded in 1990 dedicated to the support and development of the case management profession through educational forums, networking opportunities and legislative involvement. Unique in its composition as an international organization, with nearly 10,000 members and 70+ affiliated chapters, CMSA's success and strength is its structure as a member-driven society. The mission of CMSA is to "positively impact and improve patient wellbeing and healthcare outcomes."
