

Dear Health Care Professional:

I am pleased to announce the availability of **Oncology In Managed Care** by VerusMed, *An Evolution of Faxwatch*.

Delivered by fax or e-mail on a **biweekly** basis, this complimentary news service will provide coverage of oncology-focused reimbursement, disease-state management, peer-reviewed research, new products, FDA news, and health policy and legislation topics, in a concise format designed with your busy schedule in mind.

This service is provided with support from **Genentech**, which has no editorial control or influence over the content of the publication.

In readership surveys, our readers have said:

“With so much information overload, [it] is a winner because of its style, contents and format. I strongly support it.”

“Short and succinct, but always relevant and greatly appreciated. The opportunity to take a five-minute break and learn something in the midst of a busy day is different, and you occupy a unique niche...”

To receive **Oncology In Managed Care**, please fill out the enrollment form below and fax it to VerusMed at 800.963.3329. Please note that **Oncology In Managed Care** will be transmitted by fax **Monday** nights to avoid interrupting your office hours, or it will be transmitted **Tuesday** mornings if requested. If you prefer, **Oncology In Managed Care** can also be delivered to you by e-mail.

Please enjoy our service.

Sincerely,

VerusMed, *An Evolution of Faxwatch*
